Year of Production: 2006

*Enviro Girl* showcases how anyone can be a superhero by conserving electricity. Professor Atlas is the leader of the League of Super Citizens and together with Atomic Guy and energy-saving Enviro Girl, they are sworn to protect all that is good, just, and green.

Sixteen lighthearted episodes show kids that saving energy is important, easy, and fun, as they discover energy-saving tips they can practice at home. Real children themselves also offer their perspectives and suggest simple, energy-saving habits we can adopt every day.

### Programs
