Motivate children to become environmental superheroes, with the dynamic new video series *Enviro Girl*. Sixteen engaging programs sensitize kids about the environment and encourage them to adopt everyday habits that conserve energy.

The star of the series, Enviro Girl, along with fellow SuperCitizens Professor Atlas and Atomic Guy, offer kids energy-saving tips such as turning down the air conditioner, closing the blinds, and turning the tap off whenever possible.

For programming that entertains as it enlightens, take heroic action: offer *Enviro Girl*.
